*Office of the President
Data Processing Division*

June 27, 1980

Dear IBM Customer:

Today IBM is announcing for selected products marketed by the Data Processing Division and the General Systems Division lease and rental charge increases of approximately 5% to 7% and purchase price increases of approximately 5%. In addition, the following product and service offerings are affected as well as others outlined in the Notice to IBM Customers:

IBM Maintenance Agreement prices including the Additional Monthly Maintenance Charge Rate are being increased approximately 5% to 10% on selected machine types. Maintenance charges for a number of machines are unaffected. Field Engineering Hourly Service rates and Field Installation Charges are being increased approximately 10%.

Hourly IBM Machine Service rates are being increased approximately 5% to 7%. Systems Engineering Services, selected data processing education courses and publication prices are being increased approximately 10%.

Monthly charges for certain Licensed Programs marketed by the General Systems Division are being increased approximately 10%.

The enclosed Notice to IBM Customers indicates the effective dates of the changes and the revised prices for the affected products and services.

Your IBM marketing representative is available to answer any questions you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "CMA", is written over the typed name.

Notice to IBM Customers

JUNE 27, 1980

International Business Machines Corporation
Data Processing Division, 1133 Westchester Ave., White Plains, NY 10604
General Systems Division, PO Box 2150, Atlanta, Georgia 30301

Notice to IBM Customers

June 27, 1980

This notice announces price increases for selected data processing products and services marketed by the Data Processing Division and the General Systems Division of IBM.

The price changes for these products and services are summarized as follows (rounding of some prices may cause variation in percentages stated):

- Monthly lease/rental charges for machines, including model conversions, features and RPQs are being increased approximately five percent to seven percent for selected machines.
- Purchase prices are being increased approximately five percent on selected machines including model conversions, features and RPQs.
- Minimum Monthly Maintenance Charges, Additional Monthly Maintenance Charge Rates, and Monthly Use Charge Rates for selected machines, features and RPQs are being increased approximately five percent to ten percent.
- Field Engineering/Customer Engineering Hourly (per call) Services are being increased approximately ten percent.
- Field Installation Charges are being increased approximately ten percent for selected products.
- Single Use Charges are being increased approximately five percent on selected machines including features and RPQs.
- Hourly IBM Machine Service rates are being increased approximately five percent to seven percent.
- Systems Engineering Services rates are being increased approximately ten percent.
- Education fees are being increased approximately ten percent for certain customer education courses and Independent Study Programs.
- DP publications prices are being increased approximately ten percent.
- Charges for some licensed programs marketed by the General Systems Division are being increased approximately ten percent.
- Pilot Test Plan Unit Charges for some products are being increased approximately five percent.
- Motor Generator Set prices are being increased approximately five percent.

In accordance with the applicable IBM agreements, amendments and/or supplements, the effective dates of the price adjustments are as follows:

Agreement for IBM Machine Service: New monthly availability charges (MAC) and single use charges will be effective October 1, 1980.

Agreement for Lease or Rental of IBM Machines (LRA): New monthly rental charges (MRC), single use charges and monthly use plan charge rates under LRA will be effective October 1, 1980. The new monthly lease charges (MLC) will be effective October 1, 1980, up to the current applicable upper limits, and any excess will be effective on the next anniversary date. Additional Monthly Maintenance Charge Rate increases are effective October 1, 1980.

Fixed Term Plan (FTP), Term Lease Plan (TLP), Alternative Term Plan (ATP), and Term Availability Plan (TAP): The new monthly charges will be effective October 1, 1980, up to the current applicable upper limits, and any excess will be effective on the next anniversary date.

State and Local Government Customers: Those state and local customers whose fiscal year begins July 1, 1980, will not be affected by increases to products and services covered by fiscal year price protection amendments until July 1, 1981. For other state and local customers, the new monthly charges for lease and rental machines, IBM Maintenance Agreement service and programs will be effective October 1, 1980, or at the beginning of the customer's next fiscal year, whichever is later.

State and Local Government Lease Plan (SLGLP): The new monthly charges will not apply until the first anniversary date, October 1, 1980, or the beginning of the customer's next fiscal year after July 1, 1980, whichever is later for:

- Existing contract periods with a commencement date that precedes June 27, 1980.
- An on-order machine, model upgrade, or feature addition when the SLGLP Supplement signed by the customer was accepted by IBM on or before June 26, 1980, and shipment is scheduled on or before September 27, 1980.

In all other cases, the new monthly charges will be effective on October 1, 1980, or the beginning of the customer's next fiscal year, whichever is later.

Monthly Use Plan

- Amendment to Agreement for IBM Machine Service - Monthly Use Plan: The new Monthly Use Charge Rates will be effective October 1, 1980.
- Amendment to IBM Maintenance Agreement - Monthly Use Plan: The new Basic Monthly Maintenance Charges and Additional Monthly Maintenance Charge Rates will be effective October 1, 1980.

Purchase of IBM Machines: New purchase prices for all machines, model conversions, features and RPQs are effective June 27, 1980, except as noted below:

- The old price applies when the Agreement for Purchase of IBM Machines, Agreement for Purchase of IBM Series/1 Machines and their respective Amendments and Supplements, if applicable, for on-order equipment were signed by the customer and accepted by IBM on or before June 26, 1980, and the on-order equipment will be shipped on or before September 27, 1980.
- Orders (supplements) for all model conversions, features and RPQs for field installation, accepted by IBM on or before June 26, 1980, and shipped on or before September 27, 1980, will be invoiced at the old price.

Motor Generator Sets: The increased purchase prices for motor generator sets are effective June 27, 1980, except that the old purchase prices will apply to on-order motor generator sets through their scheduled shipment date if an Agreement for Purchase of Non-IBM Equipment has been signed by the customer and accepted by IBM on or before June 26, 1980.

Pilot Test Plans: The new Contract Period Unit Charge and Extension Unit Charge will not apply to contract periods or contract period extensions whose commencement date is on or before July 31, 1980. For contract period or contract period extensions that commence on or after August 1, 1980, the new monthly charges shall be in effect.

IBM Maintenance Agreement: The increased Minimum Monthly Maintenance Charges, Repair Center Service Charges and Deferred Central Facility Maintenance Charges, will be effective October 1, 1980.

Field Engineering/Customer Engineering Hourly (Per Call) Service: The new rates for Field Engineering/Customer Engineering Hourly (per call) Services are effective June 27, 1980.

Systems Engineering Services: New hourly rates for Systems Engineering Services will be effective October 1, 1980, for Agreements for Systems Engineering Services signed by the customer and accepted by IBM on or before June 26, 1980. Otherwise, the new rates for Systems Engineering Services are effective June 27, 1980. Existing GSD Systems Engineering Services Fixed Price Agreements will be invoiced in accordance with the terms and conditions of the agreements.

Licensed Programs: The new monthly charges for licensed programs will be effective October 1, 1980.

Data Processing Education: New prices will be effective for affected courses which commence on or after October 1, 1980. New prices for Independent Study Programs will also be effective October 1, 1980.

Hourly IBM Machine Service: The new hourly rates for IBM Machine Service will be effective October 1, 1980.

Field Installation Charges: The new Field Installation Charges for applicable model conversions and features are effective June 27, 1980. Field Installation Charges for orders which have been accepted by IBM on or before June 26, 1980, and are shipped on or before September 27, 1980, will be invoiced at the old price.

DP Publications: The new prices for DP publications are effective June 27, 1980.

New RPQ rental and lease monthly charges, purchase prices and RPQ Minimum Monthly Maintenance Charges not included in this notice may be obtained from your IBM marketing representative.

GSD EDUCATION COURSES

Course Description	Code	Old	New
System/3 Communications Control Program Workshop	D1008	\$ 727.00	\$ 799.00
System/3 Model 15 Operator Training	D1014	416.00	457.00
DFU Workshop for Non-Programmers	D2004	319.00	350.00
Design/Programming Fundamentals	D2005	165.00	181.00
CCP System Design	D2010	344.00	378.00
System/34 Work Station Design and Implementation	D2040	399.00	438.00
System/34 Remote Workstation Design and Implementation	D2045	36.00	39.00
System/34 Systems Operations	D2050	330.00	363.00
System/34 Interactive Communications Feature (ICF) Programming	D2051	200.00	220.00
Application Design	D2060	270.00	297.00
Planning for 5520 Administrative Systems	D2080	125.00	137.00
5520 Administration Management	D2083	125.00	137.00
Series/1 CM/1 Installation Workshop	D2084	1175.00	1292.00
COBOL Batch Workshop	D2085	375.00	412.00
System/34 COBOL Workstation Workshop	D2086	270.00	297.00
Application Design	D2660	270.00	297.00
3741 Design Workshop	D2741	242.00	266.00
IBM 5110 Systems Design and Analysis	D2800	363.00	399.00
Hardware and SCP	P2000	532.00	585.00
Control Program Support Workshop	P2002	326.00	358.00
Realtime Programming System Implementation	P2004	726.00	798.00
FCPM/1 Implementation Workshop	P2005	245.00	269.00
Energy Management Implementation Workshop	P2006	450.00	495.00
Facility Control Power Management	P2007	640.00	704.00
Realtime Programming System Interface for FORTRAN IV Programming	P2008	514.00	565.00
Realtime Programming System Advanced Topics	P2010	738.00	811.00
Realtime Programming System Interface for PL/I Programmers	P2011	634.00	697.00
Series/1 Programmable Communications Subsystem Hardware & Preparation Facility	P2012	574.00	631.00
Control Program Support (CPS) Workshop	P2014	726.00	798.00
Series/1 Program Preparation Subsystem	P2018	475.00	522.00
Series/1 Realtime Programming System Interface for Assembler Programmers	P2019	765.00	841.00
Supermarket Implementation	P2020	250.00	275.00
IBM Programmable Communications Subsystem Programming Support	P2023	850.00	935.00
Series/1 Programming System SNA Interface	P2024	500.00	550.00
Event Driven Executive Concepts and Facilities Workshop	P2025	260.00	286.00
Series/1 Event Driven Language Workshop	P2026	420.00	462.00
Series/1 Event Driven Executive Multiple Terminal Manager Workshop	P2028	300.00	330.00
Fundamentals of RPG II Programming	Q1005	221.00	243.00
RPG II Programming Workshop	Q2100	598.00	657.00
RPG II Additional Topics	Q2125	491.00	540.00
System/34 WSU Workshop	Q2130	757.00	832.00
System/34 RPG II Workstation Coding Workshop	Q2140	438.00	481.00
System/32 Implementation	S2000	642.00	706.00
System/3 Implementation	S2007	354.00	389.00
System/3 Model 12 Implementation	S2012	256.00	281.00
System/3 Model 15 Implementation	S2015	578.00	635.00
System/34 Implementation	S2020	731.00	804.00
IPICS Implementation—EPDC/Product Costing	S2250	367.00	403.00
IPICS Implementation—Inventory Accounting/Product Control	S2251	650.00	715.00
IPICS Implementation—Material Requirements Planning/Capacity Planning	S2252	650.00	715.00
IPICS Implementation—EPDC/Internals	S2253	367.00	403.00
